For billing purposes, this price list utilizes the 11-digit NDC number format for billing systems, which adds a (0) in the sixth position to the 10-digit NDC number required by the FDA for packaging.

* Weight and packaging specifications are approximate measurements.

* Store at temperatures below 86°F. Do not refrigerate.

† Cases per layer by layers per pallet.

‡ Control solution must be ordered in case quantities.

† OneTouch Verio® Family of Products: Store in a cool, dry place between 41°F and 86°F.

* "NDC" is being changed to "NRC" to comply with FDA guidance to remove "NDC" from medical device packaging and labeling effective September 24, 2025.
