As of July 2023

ONETOUCH®

The information provided is not a guarantee of coverage or payment. Actual benefits are determined by each plan in accordance with its respective policies and procedures.

- * Some health plans may have more than one test strip covered at the lowest co-pay.
- † Coverage and payment subject to co-insurance, deductible and patient eligibility requirements.
- ‡ This program only works with a pharmacy benefit that does not cover OneTouch® test strips. Insurers may offer a lower cost option. Out of Pocket will not be applied to plan deductible. Those insured by any government healthcare program, such as Medicare, Medicaid, the military or VA, are NOT eligible for this offer. Program may be changed or discontinued at any time. This offer from LifeScan, Inc. can only be redeemed where OneTouch® products are sold and prescriptions can be processed.

† MMIT Formulary Report April 2023.

Product selection code 1 = Substitution not allowed by prescriber. The pharmacy provider may only dispense the brand name version of the drug prescribed using this product selection code.
